Dear [Mr./Ms./Mx.] [Hiring Manager's Last Name],

I happily submit my application for the [Position Name] position at [Company Name]. With a few years in a BSC in Computer Science, containing both personal and team projects, I'm confident that I'd be a good addition to your team.

While studying, I gained substantial experience, such as identifying and fixing bugs, as well as coding in Java, Python, and C++ and mathematical knowledge.

Sincerely,

Krit Nicol
